Mobile App Programming Summer Camp 2016
Computer Science Department
Cal Poly Pomona
7/25-7/28, 2016

Dates & Hours

July 25th (Monday) - July 28th (Thursday), **9AM to 4PM.** (Total 4 Days)

The lab will be open at **8:30AM**. If you need to drop off your kids earlier than that, please let us know and we will arrange that for you.

The lab will remain open after the camp everyday until **6PM**, and students are welcome to stay there after 4PM. If you need to pick up your kids later than 6PM, please let us know and we will do our best to accommodate your schedule.

Location & Directions & Parking

The camp will be held at **Computer Science Department Lab 8-52** at the ground level in **Building 8** (The College of Science Building) at Cal Poly Pomona.

For the exact lab and building location as well as driving directions, please open this link (https://goo.gl/maps/i5KCAxrrZVN2) in Google Map. For the address, you can use 8 S University Dr, Pomona, CA 91768 (*Note: this is the accurate address in Google Map, but may not be accurate in other Map Apps or GPS)

If you decide to drop off your kids near the lab, you can use the 30 minutes free parking as indicated in the figure below. However, please note that the available spaces could be very limited depending on the time of the day.

Figure 1. The Lab Location and 30 Mins Parking Location

If you need to park for a longer period of time, you can park at the University Visitor Parking Lot. Please use this link (https://goo.gl/maps/PHrDsHRntA12) to track the exact parking location and driving directions in Google Map. The parking lot address is: Palm Drive, Pomona, CA 91768

Below is a photo of the College of Science building. The lab is located at the ground floor. You will see our poster near the entrance of the building.

Lunch

The lunch is included everyday, provided by the campus dining service - Los Olivos Dining Commons. They offer the all-you-can-eat venue with various options.

Computer & Equipment

Students do not need to bring any study materials or devices. We will provide a desktop computer and an Android smartphone for students to use during the camp. However, if the students prefer to use their own laptops or Android phones, feel free to bring them and we will help to setup the environment.

Contact

For any questions, feel free to contact us anytime.
